GOES OVER THE TOP FOR THE SECOND TIME IN BOND CAMPAIGN

Report to Headquarters Today is
That Bonds Amounting to
\$751,750 Had Been Taken

GLORIOUS RECORD IS MADE

Women's Committee Only \$7,175
Short of Goal This Morning and
Hopes to Go Over

SUBSCRIPTIONS ARE \$178,400

Necessity of Reporting Cash Sub-
scriptions Today and Deferred
Payments by Monday Urged

Rush county has done her bit and
has done it big and today, for the
second time in the Third Liberty
Loan campaign, went over the top.
This time the objective reached was
the fifty per cent excess quota
which the county was asked to fur-
nish.

This morning the subscriptions
amounted to \$751,750 but before the
drive closes tonight, indications
point to a large oversubscription, as
the complete reports are returned
showing the exact number of sales
made in each township.

Rush county has made a glorious
record and as letters and telegrams
of congratulations poured into the
loan headquarters as soon as the
news was received at the district
headquarters, bankers and canvass-
ers were able to view the unselfish
work which they, and the other peo-
ple of the county had done, with
satisfaction.

Yesterday several townships added
big sums to their already swollen
totals. Bond selling in Rush county
has shown a greater activity during
the last few days than at any time
during the campaign. Intensive can-
vassing by the various organizations
has done wonders to the growing
figures of the county.

Earl H. Payne, who headed the
work of the drive among the banks
of the county is anxious that all

RAIL CONSOLIDATION HERE SEEMS PROBABLE

Officials of Four Roads Entering
Rushville Recommend Abolish-
ing of C. I. & W. Office

ALSO OTHER CHANGE ADVISED

All superintendents, trainmasters
and a few other officials of the four
railroads entering Rushville met
here yesterday to consider plans
for the consolidation of the work of
the four offices in Rushville. This is
in accordance with the suggestions
of William G. McAdoo, director-gen-
eral of the railroads of the United
States while they are being operated
by the government, as one means
of cutting down overhead expense.

If the recommendations of the
railroad officials in session here are
adopted, the Lake Erie and Western
railroad depot will be abolished and
the business of that road will be
transacted at the Big Four station,
and the Pennsylvania ticket and tel-
ecraph business will be done at the
C. I. & W. station. This would re-
lieve the telegraph operators and
ticket clerks at the Pennsylvania. It
is also probable that the freight
business of these two railroads will
be consolidated.

These arrangements could be easily
made here because the stations are
so situated that no inconvenience
would be caused.

Minimum Is Passed In The Country

At Start of Business Today Three
Billion Dollar Quota Had Been
Oversubscribed by Six Million and
Vast Sums Were Expected Today.
Eighteen Million Subscribers.

(By United Press.)

Washington, May 4.—At the start
of business today the minimum
quota of three billion dollars on the
Third Liberty Loan had been over-
subscribed by six million dollars.

Vast sums were expected to be
reported today, the last day of the
campaign. There was strong hope
that the final figure will show five
billion dollars.

About eighteen million persons
have made individual subscriptions.

subscribers as well as bankers un-
derstand the final settling up of the
loan. All banks must mail cash sub-
scriptions not later than tonight to
the federal reserve bank in Chicago
and other government plan sales
must be mailed on or before Mon-
day, May 6, according to govern-
ment communications.

With the women's department
perilously near their excess quota
per cent, a desperate effort was be-
ing made among the workers in ev-
ery part of the county today, to
reach the final objective before the
campaign closed.

"Watch the women win in a walk"
is the slogan adopted by Indiana
workers and true to form Rush
county women are living up to the
expectations of the state. They were
among the first in the state to "win
in a walk" in subscribing their min-
imum quota and since the request
for more was made, they buckled
down to business again and have
been progressing steadily since that
time until today they are on the
brink of their excess quota.

Greatest enthusiasm existed
among women workers today who
are bent on making the total sky
high before the loan closes tonight.

The women's committee last night
reported subscriptions in the county
totalling \$173,600, which was only
\$11,975 short of their quota of
\$185,625 and this morning two sub-
scriptions of \$3,750 and \$1,050 were
reported, bringing the total up to
\$178,400. This left \$7,175 which
should be reported today to reach
the goal.

WILL RECRUIT THREE MEN

Lieut. Lowell M. Green, who is
here from Camp Shelby, Miss., on a
leave of absence, announced today
that he will recruit three more men
for the 139th field artillery infan-
try, if there are men who wish to
enlist. The infantry was recruited
here and is made up of Rush coun-
ty boys. Men who consider enlist-
ing should see him at once.

TAX COLLECTIONS FALL OFF

Tax collections fell off yesterday,
the report of the county treasurer
showing that \$7,955.98 was paid on
the spring installment. This left a
little more than thirty thousand dol-
lars to be collected when the office
opened for business this morning,
with two days to go. The office will
be open tonight and Monday night.
A rush was expected today because
many farmers wait until the last
Saturday to pay their taxes.

Two Soldiers Abroad Pardoned and
Two Others Imprisoned

(By United Press.)

Washington, May 4.—The four
American soldiers abroad sentenced
to death for sleeping at post and
disobeying orders, will not die for
their offense.

Two of the men were pardoned
and the other two were sentenced to
three years imprisonment.

COUNTY DOUBLES WAR STAMP SALES

Sale of Stamps During Month of
April Amounts to \$11,628.75—
March Sale Much Lower

INCREASE DUE TO STUDENTS

Glenwood and New Salem Fall Below
Last Months Record—Man-
illa Again in Lead

Pledged to Buy One
Thrifty Stamp a Week

The Rushville Glove company
has a one-hundred-per cent
membership in its War Sav-
ings stamp club which was or-
ganized at the factory a few
days ago. Each employee has
pledged himself to purchase at
least one thrifty stamp a week.

Rush county's sale of war savings
stamps during the past month is
more than double the amount of the
sales during the previous month, ac-
cording to the reports received to-
day by Postmaster Hunt, from the
various postoffices in the county.

Rush county's sales during the
month of April amounted to \$11,
628.75 and in comparison to the
sales of the previous month which
amounted to \$5,690.27, there is an
increase of \$5,938.48. Rushville's
purchase during the month, which
amounted to \$6,105.75 represents
more than half of the stamps pur-
chased by the remainder of the
county.

The increase is due, to a large ex-
tent, to the interest which has been
taken in the sale of the stamps by
the students in the schools through-
out the county. During two drives
which the students of the local high
school made through the city, orders
were taken for \$2,076.17 worth of
stamps. Aside from this amount,
however, the students themselves
have purchased stamps to the
amount of \$548.

"The schools have been a great
benefit in the drive," declared Pos-
tmaster Hunt today. "The ready co-
operation of the students and the
enthusiasm with which they entered
into the canvassing put a certain
amount of pep into the drive that
nothing else could have done. Their
continued interest will do much to-
ward making Rush county come up
to the standard expected of her in
the drive."

With the exception of two towns,
Glenwood and New Salem, there is a
large increase in the stamp sales.
Manilla, as former monthly reports
show, is again leading in the canvass
of the smaller towns of the county.
The last report from that town
shows a sale of \$2,035.55 in com-
parison to a sale amounting to
\$331.99 in March. The report from
the various towns follows:

Arlington	\$ 350.35
Carthage	1,077.70
Glenwood	151.60
Homer	104.55
Manilla	2,035.55

CO-OPERATION IS DRIVE WATCHWORD

That K. of C. War Camp Fund Will
be Heartily Supported is In-
dicated by Meeting Friday

ADDRESS BY JOSEPH MCGOWAN

Fact That Work of Knights of Col-
umbus is Non-Sectarian Em-
phasized by Other Speakers

The appeal which the Knights of
Columbus will make to the citizens
of Rush county next week when
they launch their war fund drive will
meet with the willing co-operation
of the citizens on every hand.

This fact was disclosed yester-
day afternoon at a meeting of the
business men of the city when they
were addressed by Joseph McGowan
of Indianapolis, a prominent K. of
C. state worker. The drive is in-
creasing in popularity daily as the
people of the county understand
that the work done in the army
cantonments is purely non-sectar-
ian.

"The purpose of the Knights of
Columbus buildings and workers in
the various cantonments is the same
as the Red Cross and the Y. M. C. A.
—to help keep the boys clean both
socially and spiritually," stated Mr.
McGowan in emphasizing the key-
note of the drive. "The people of
your community should give freely
to the campaign in order that
through their assistance, the boys
may return at the close of the war
better citizens, because of the
guarding influence of these camp
workers. Our Sammies over there
are giving their all in order that we
might live peacefully in future
years. Are any sacrifices we make
through donations, no matter at how
great a cost, to be compared with
the sacrifices of these boys?"

Short talks were also made by the
Rev. M. W. Lyons, T. M. Green and
Ernest Thomas, who emphasized the
fact that a healthful spirit of co-
operation among all war relief
parties must be felt if we wish to get
the best results from the boys.

"If it were not for the welcome
sign—regardless of faith—which
glares from the front of each K. of
C. building in the many canton-
ments," declared Father Lyons, "I
would be the first to condemn the
public appeal for funds for the up-
keep of the work but because sol-
diers of the non-Catholic faith are
as welcome in the recreation halls
as the Catholic boys, it is only right
that everyone should be given an op-
portunity to assist in raising the
funds."

Everything is ready for the cam-
paign which will be launched Mon-
day and continue through the week.
There will be no general house-to-
house canvass which has marked
other campaigns for similar pur-
poses. The canvassers are expect-
ing, however, to reach every part of
the county.

Vice-President Thomas R. Mar-
shall and U. S. Senator Harry S.
New have given cordial endorsement
to the movement to raise funds for
the war work of the Knights of Col-
umbus. In a letter Mr. Marshall said:

"So far as I have been able to as-
certain, the Y. M. C. A. and the
Knights of Columbus are proceeding
along identical lines in throwing
open their buildings in army camps
to soldiers of every faith and of no
faith, not for proselyting purposes,
but to amuse, instruct, hear, and
to do what is the greatest thing,
deepen the religious faith of the men
in khaki—deepen it, I mean, in the
essentials of faith and not in the
mere outward church manifestations

DELIGHTS CROWD WITH CONCERT

Grace Hall Riheldaffer Pleases Au-
dience Which is Small But
Appreciative

REPRODUCES CAMP RECITALS

Thrills Crowd With Martial Airs and
Tells of Her Experiences in
162 War Concerts

Madam Grace Hall Riheldaffer
delighted an audience of a few hun-
dred people at the Main Street
Christian church last night with a
war concert, which was exactly like
the concerts which she has been giv-
ing at the Y. M. C. A. buildings at
the training camps for the last six
months.

Bent on using her versatile im-
agination to the utmost, Madam Ri-
heldaffer insisted on the audience
being a group of soldiers and acting
just as soldiers did when she sang
for them. They always responded
to her desires when she asked them
to join on the chorus, she said, and
the audience last night acted under
the delusion and was responsive.

The audience first joined on the
chorus of "Laurels of Victory," a
thrilling martial song composed by
E. Edwin Crierie, Madam Riheldaf-
fer's accompanist. Not being very
familiar with the air, the people did
not respond to the singer's persua-
siveness as quickly as they did when
she began to sing, "Carry Me Back
to Old Virginia." Most everybody
knows "My Old Kentucky Home,"
and the crowd joined in heartily
when Madam Riheldaffer struck up
that tune. But not until she sang
"Keep the Home Fires Burning," a
song which has grown more popular
as the war progressed, did some
folks exercise their vocal chords for
the first time in months.

Madam Riheldaffer closed with
that song, but the crowd was insist-
ent and would not allow her to leave
the stage. In parting, then, she sang
another war song, "When the Boys
Come Home," which denoted the
spirit of America in the war.

Madam Riheldaffer followed ex-
actly the program which she has
given at 162 concerts before soldiers
and sailors in training. Cleverly she
explained how she talked to the
boys between songs and how they
converted each recital into an in-
formal, home-like gathering.

Madam Riheldaffer soon made it
plain that she was a typical Amer-
ican mother for she had not gone
far with her program until she began
to talk about "her boy Bill."

It was about a year ago, she said,
when "that boy Bill" came to her
one evening and pointed to his name
in the newspaper under the title,
"The Flag Defenders." The blow was
so unexpected, she said, that she
could not quite understand at first.
"The war then became a living
reality to me for the first time," she
declared, "and the tears came to my
eyes."

"My God, mother," Bill said to his
mother according to her story.

artillery fire.

The French official statement
which told of the action said the
American gunners displayed perfect
mastery of French artillery methods.

With the American Army on the

Americans have captured their first
prisoners on the big battlefield. Two
big Boche machine gun positions
were surprised and overpowered and
another captured in a shell hole.
The prisoners belonged to a re-
placement regiment.

Minor patrol encounters have oc-
curred during the last 2 nights. The
American frontlines have been un-
der heavy bombardment while the
rear areas have been heavily sprayed
with gas shells.

MILITARY INQUIRY OF AIRCRAFT CHARGE

President Wilson Determines Upon
Investigation of Report of Profit
Gained in Work

INSTRUCTIONS SENT TO BAKER

(By United Press.)

Washington, May 4.—President
Wilson has determined upon a mili-
tary investigation of the charges
that leading military men and civil-
ians have profited in the expenditure
of the \$640,000,000 appropriation
for aircraft work.

The president has instructed
Secretary of War Baker to open im-
mediately the investigation with the
end in view of court-martialing any
person found guilty of criminal work
in the aircraft production work;
grand jury prosecution of any civil-
ian found guilty of criminal mis-
application of his aircraft work and
to determine the truth of reports
regarding the aircraft program with
the object in view of punishing any-
one guilty of spreading false re-
ports. The president wants to see
that any betrayal of government
trust is punished and to see that in
the future the American army and
patriotic civilians may be protected
against irresponsible reports.

The president has determined
upon a military investigation be-
cause he believes it will be more
rapid and thorough than if some
other agency were to undertake it.

Rushville people are being urged by city authorities to comply with the request of Mayor Irvin in his proclamation to have all trash gathered up and placed at the rear of the premises so that it may be collected by city teamsters next week. Mayor Irvin has officially designated the annual clean-up to begin next Tuesday and residents are requested to take advantage of this opportunity to have debris which has collected during the winter hauled away. City teamsters will haul no ashes.

Living Skeleton Had Spasms Every Afternoon Now Well

If any person on earth enjoys living, it is Mrs. Martha Howlett, of Detroit, Mich. Catarrh had undermined her health, affected her stomach and bowels. She became a living skeleton, was a nervous wreck and had spasms every afternoon for seven years. Doctors administered opiates to ease her pain. Finally she was induced to try Hull's Superlative. Her story will interest you—read it: "Thank God I was saved! Two weeks after I began taking Hull's Superlative I began taking short walks and in five months was the picture of health. Today I feel like a girl of twenty years; and during the last few years I have been teaching dancing lessons in the cities of New York, Chicago and Detroit."

Hull's Superlative accomplished wonders for Mrs. Howlett. It has helped thousands and should do as much for you. This famous medicine is prepared from roots, bark and one berry. It is nature's great assistant and is invaluable in colds, grip, tonsillitis, rheumatism, dropsy, stomach, kidney, liver and bladder troubles, paralysis, etc.

Hull's Superlative is sold by all druggists on a positive money-back guarantee, and any man or woman who is sick or ailing—no matter what the condition or how serious—should lose no time in taking this preparation, for if it does not help you your money will be returned.—(Adv.)

WAR CHEST FUND TO BE CONSIDERED

Meeting of War Relief Workers is
Called For Next Wednesday
Afternoon at 1:30

WOULD GO AWAY WITH DRIVES

The War Chest Fund which is being promoted in various parts of Indiana and Ohio, has been placed in the hands of T. M. Green, chairman of the County Council of Defense, and in order to place the purpose of it before the public, he has called a meeting of all county war relief workers, for the sheriff's office next Wednesday afternoon at 1:30 o'clock.

The purpose of the fund is to do away with the continual canvassing for first one war relief organization and then another. If the plan which is now being promoted, is permanently taken up here it will mean that the people of Rush county will pay monthly a certain amount of money, whatever the allotment might be, to be divided among the various war relief works of the country. The plan has been favorably received by a number of counties in Indiana.

DELIGHTS CROWD
WITH WAR CONCERT

Continued From Page 1
"don't make me sorry I did it."
"I then resolved," she declared, "that he should never see a tear on my face again and that I would sing for the soldiers and help keep them happy and contented."

As her opening number, Madam Riheldaffer sang "America My Country," and then followed "A Vision," and "O Red is the English Rose." After this group of three songs it was then she first mentioned her pet subject, "Bill" and exhibited his picture. She told of beginning the tour of camps Sept. 25 and how she had enjoyed it.

"I am happy to have done this work," Madam Riheldaffer said, "and the return to me is beyond my power to tell you. It has indeed been a privilege, I have heard many a lad's story and have been able to help him."

Madam Riheldaffer then sang an aria from an opera in Italian and "One Fine Day," from "Madam Butterfly," which was especially popular with the audience. "That's Where the West Begins," and "The Voice in the Wilderness," a sacred song, were equally well received. "The Wind in the South," followed, but the high mark, in her program was struck when she sang the great martial song, "The Marseillaise," the first verse in French and the second in English. The audience stood as she repeated the words of the stirring choros and was thrilled by her dramatic rendition of the song.

"The predominate note in that song is victory," Madam Riheldaffer always told the boys when she finished that song, she said last night, "and we are all working for victory." She declared every audience of fighting men she put that question to always responded with a deafening chorus of "Yes."

Madam Riheldaffer said she always tried to see the sunny side of everything because there is a sunny side, and she always urged the boys to. She pleaded with mothers not to write "weepee" letters because of the influence they have on the morale of the troops. Madam Riheldaffer said it was perfectly all right to fib a little if necessary, but always cheer the boy on.

Madam Riheldaffer declared that in every concert she always told the boys that she hoped she could represent the mothers of America in speaking for them. She assured them that the mothers of the boys in training here and of those in France were on their knees every day before God praying for the safety not only of their own son, but for every mother's son.

How much the concert made for the yarn fund of the 139th field artillery infantry is not known, but it is doubtful if there will be anything over and above the expenses because the concert was not supported as it should have been.

RUSHVILLE IS SECOND
IN TRIANGULAR MEET

Rushville high school's track team took second place in the triangular track meet at Martinsville yesterday, winning 28 1/2 points. Martinsville was first with 44 1/2 points and Bloomington was third with 26 points. Rushville expected to do even better than she did. Norris would have taken second in the pole vault and have won the quarter mile but for an accident when he went to pole vault. He severely spiked himself and was barely able to go through the meet. He ran the quarter, finishing fourth.

Points won by the local team of six men were as follows: Tompkins—first in hundred yard dash, second in low hurdles and third in high jump; French—second in the short put and 220 yard dash; Norris tied for third in the pole vault and was third in the shotput and low hurdles; Daily was second in the high jump and broad jump and Smith won first in the pole vault.

—Mrs. Pinkney Dearing went to Bedford, Ind., today for a visit with her son, Aubrey Dearing and family.

—Paul Wray, Arthur Schoeleh, Abe Martin and Harold Coers of Shelbyville will spend Sunday here the guests of friends.

—Mr. and Mrs. J. L. Nipp spent the day in Indianapolis yesterday and attended the John Hancock Life Insurance Co. banquet at the Claypool Hotel last night.

—Deputy Sheriff Will Spivey has returned from Madison, Ind., where he took Joseph Barnard of south of Arlington, yesterday, to be confined in the Southeastern Indiana hospital for the insane.

AMERICANS TAKE
FIRST PRISONERS

Continued From Page 1
The weather has cleared and it is warm.

The Germans began a heavy bombardment on two distinct centers in Flanders early today, apparently preparatory to simultaneous drives against Hazebrouck and Ypres.

The area of the cannonading indicates that should the attacks develop, it will be a frontal sweep westward against Hazebrouck, and a flanking thrust northward to encircle Ypres from the west.

The sector under bombardment before Hazebrouck is a seven-mile front from the Nieppe forest northward to Meteren. The other bombardment area extends from Loere eastward to a point south of Ypres, a front of about six miles.

Between the two bombarded sectors is a stretch of four miles back of which are strongly defended heights. Hindenburg has thus far selected the comparatively easily offensive area—in case his infantry follows up the artillery preparation. In several instances of late, however, the Germans have bombarded two or more areas.

B. L. McFarlan suffered slight injuries yesterday when he fell at his home in North Morgan street and cut his face.

Doctor said,
"Bio-feren had
done wonders
for her."

Case 1724—School teacher; Residence—Kentucky; severe operation; left her weak, anemic, nervous; low vitality. Physician recommended Bio-feren. Two weeks' treatment showed remarkable improvement. Doctor reported, "Bio-feren had done wonders for her."

Another case—Pennsylvania, reports: "I have taken about one-half of the Bio-feren pellets and must confess that I feel like new."

A Kentuckian woman says: "I have taken Bio-feren regularly and feel much benefited. I can use my arms much better. However, can not get my hands to my head sufficiently to comb my hair, but I feel that I will soon be able to do that."

You want the vigorous health and ruddy beauty that is dependent on strength, nerves and red blood. Everybody does. Read those reports above, again. You, too, if you are dragged down in health and strength because of overwork, worry, nerves, and similar causes can rebuild your health and strength with Bio-feren. It is not a stimulant. It is a builder—a builder of better health.

Bio-feren contains some of the best ingredients known to the medical world, and is indicated for the treatment of run-down conditions due to overwork, worry, anæmia, melancholia, nervous debility, debility following infectious diseases, convalescence from acute fevers, etc.

There is no secret nor mystery about Bio-feren. Every package shows the elements it contains. Ask your physician about it, or have him write and we will send him complete formula.

And don't forget that Bio-feren is sold only on condition that you will return the empty package and allow us to refund your purchase price if, for any reason, you are not fully satisfied. Please bear that in mind for it is very important.

Bio-feren sells at \$1.00 for a large package. Your druggist can supply you or we will send it direct upon receipt of \$1.00; six packages for \$5.00, should you have any trouble in securing it. The Sentinel Remedies Company, Masonic Temple, Cincinnati, Ohio.

A Base Libel

Pennsylvania "Grit" says: "An uplift organization has sent out to find and reform the champion bad boy. Look for the lad with red hair, freckles and a 'yaller' dog."

The writer of the above should either be sentenced to a heavy penalty for libel, or fired from his job for his woeful lack of knowledge of human nature.

In the first place, he hasn't given a single "symptom" of the bad boy.

First, red hair. Now, who ever saw a red-headed boy who was a coward? Cowardice is the most prominent characteristic of the really bad boy. It is utterly impossible to reconcile badness with bravery. The bad boy is also a sneak, and the fiery-headed youngster is too impetuous to even entertain a sneaking thought. He is, if anything, too frank and downright for his own good in this age of diplomacy.

And freckles!

They usually go with a pug nose, too. Fancy the combination in a "bad" boy. Why, he is the incarnation of all that is jolly, rollicking, sunny tempered and all round "clever." He is ever ready to oblige, and really delights in doing a favor. He may be a tease, he's an inveterate rogue for fun and practical jokes, but bad—never!

And owns a "yaller dog."

The most damnable libel of all.

Psychologists have sought in vain to account for the strange affinity between the boy and his unlovely dumb friend, but one thing sure—it is there and in full force. Can it be that in the poor brute the boy finds that for which he vainly seeks elsewhere—reciprocal love that is perfect and without a flaw? It would fully account for the "yaller dog."

If the uplift society ever finds the typical bad boy, he will bear not the slightest resemblance to Grit's picture.

First, he will be outwardly faultless. His person and his manners will be found pleasing, and his smile will be peculiarly winning. He will be accomplished, even polished, in his conversation.

And then he will never be brought to the notice of the uplift society for the reason that all this charm of person is almost sufficient to blind even the angels of heaven to the fact that at the core—deep down in his heart—he is bad.

Yes, he is walking the streets of our cities and towns every day, but the uplift society will never get him.

Win the War First

County councils of defense are charged with the universal enforcement of the policy laid down by the state and federal councils of defense to restrict all building or public improvements to those which will serve to contribute to the winning of the war. Not only will the councils be asked to see to it that the policy be adhered to as a patriotic matter, but the resolution of the War Industries board denying transportation and priority rights to all such enterprises will be cited as an effective legal means of curtailing all unnecessary and unpatriotic expenditures of men, money and materials.

The ruling was the result of a long discussion by the council of the merits of several elevator projects in various parts of the state; the proposed construction of a school house to replace one condemned by the state board of health, for sanitary reasons; a new lodge hall and the construction of a permanent road-way.

Only in such cases where the county councils find it impossible to secure desired results will the state council take recognition, and then at the instance of the county council will make such recommendations to the federal officials as they deem fitting in the premises.

Jess Andrews, who investigated elevator projects at Geneva, and Trafalgar and Buck Creek reports that in no case is there sufficient reason for the proposed construction, to justify it under the provisions of the resolutions of the state and federal councils of defense. The Knights of Pythias lodge at Greenwood, will continue to use a hall owned by another lodge, as a patriotic policy. The improvement of the National road at Dublin will be determined by the federal agents and the state highway commission, with reference altogether to the need of the work as a part of the war program. A school project in Hendricks county was referred to the federal officials, and an effort is being made to determine the true situation in the outside world.

Between the task of keeping the outside world ignorant of the true situation of Germany, and keeping the German people ignorant of the situation of the outside world, it is not surprising that the uplift society will never get him.

How Our Boys Won Their First Battle in France

"To teach the Americans a lesson," was one purpose of the German attack northwest of Toul on April 20th, so the German prisoners say, but the only lesson connected with the engagement as far as observant editors can see, is that the Yankees can meet about three times their number of German "shock troops" and send them back to their trenches pretty heavily depleted. The German blow was delivered against the junction of the French and American lines by special Saxon "storm troops"—the only first-class units, according to a French authority, east of the Picardy battlefield. Outnumbered enormously, their lines swept by a hurricane of poison-gas and high-explosive shells, Pershing's men exacted a price for every inch of ground they yielded and ultimately recaptured by the fiercest kind of hand-to-hand fighting, all they had lost.

To the Voters of Rush County

The primary Election for the selection of district, county and township candidates will be held on the 7th day of May, 1918.

As a candidate for the office of County Treasurer on the Republican ticket, I take this means of soliciting the support of the voters of Rush County.

As Deputy County Treasurer I have found it impossible to make a general canvass and meet all the voters personally, which I very much desired to do. Extra duties incident to the payment of the spring installment of taxes have made it difficult for me to be away from the office without neglecting the work of the county, and this I felt should not be done.

My experience as Deputy Treasurer has given me a qualification for the duties of the office that should be of value to the tax payers of the county. I have no other business that could encroach upon the duties of the office, but if nominated and elected will devote my entire time and attention to the best interests of the county, in the service, which the County Treasurer may render.

My candidacy is not based upon any claim that I may have upon the party, yet I am proud of the fact that I have taken an active interest in the success of the Republican Party in every local and general election for the past twenty years. I have served on the Republican County Executive Committee 10 years, Vice Chairman of the County Committee two terms, or four years, and County Chairman three terms, or six years.

While these campaigns have been made at a great loss of both time and money; it has been a pleasure to have been so closely connected with the success of the party; yet this is the first time I have ever solicited a vote for myself as a candidate.

Assuring you of my appreciation of your support, I am,

Respectfully,

Chas. A. Frazee

Don't Fail to See the New Reo Light Four

THIS NEW REO MODEL is the epitome of Reo experience—and that, as every motorist knows, is the longest, most extensive experience in Motor Car building.

REO BUILT GOOD CARS long years before most of those now in the business had started. REO AUTOMOBILES HAVE always been good automobiles—rugged, dependable, and famed from the first for Low Upkeep.

SO SOUND HAS BEEN Reo engineering you have seen less Reo Models than of any other make—bar none.

THAT FACT ALONE should indicate to the prudent buyer that he would be more certain of choosing right if he just closed his eyes and said "Reo" than if he shopped for weeks up and down the Row.

WHEN YOU CONSIDER, for example, that the predecessor of this new Reo Light Four—that wonderful Reo the Fifth—was standard in practically the same form for eight seasons while its competitors changed yearly and oftener, the natural conclusion must be that it was a marvelous product.

THIS NEW LIGHT FOUR is a refinement of that Reo.

IN ALL MECHANICAL ESSENTIALS it is the same—but refinements have been made wherever our engineers could find a better way. IN OUTWARD APPEARANCE it is one of the classiest cars of the year.

UP TO THE MINUTE in design—every line and curve and every detail of finish is in the latest style.

AT THE NEW YORK SHOW where dealers and the public got the first glimpse of this latest Reo the exclamation most often heard was "At last the Reo Four looks as good as it is!"

AND THAT SUMS IT UP—mechanically you know there has never been a better motor car. PERHAPS WE DID concentrate on the engineering features to the neglect of mere outward appearance. Perhaps.

AND YET—AND YET—never has there been a more popular automobile—never one the demand for which always so greatly exceeded the output.

NOW YOU RECEIVE BOTH in this new Reo Light Four—a chassis that is recognized wherever motor cars are known, as the most rugged, the most dependable; the most simple and the most accessible.

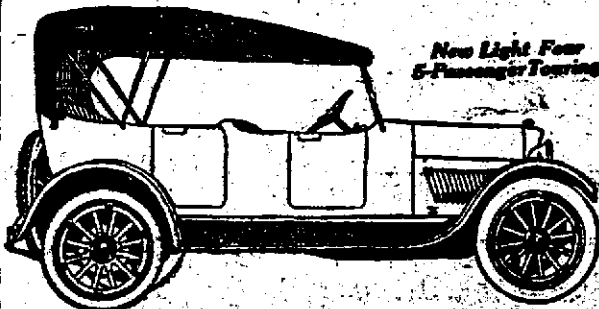

INCORPORATED ALSO in this latest model are those features of design and that quality of materials which have resulted in an upkeep cost lower than any other car ever made;—

AND PLUS APPEARANCE—a body that in design and finish is fully in keeping with the mechanical excellence of the car.

STUDY EVERY DETAIL of this new Reo Light Four—and say if you have ever seen anything that so fully conforms with your own ideas of what an automobile should be.

THE GOLD STANDARD OF VALUES

Amusements

Dorothy Dalton at Princess

Everyone who has ever written a love letter will enjoy the picture in which Dorothy Dalton is starring at the Princess theatre today. "Love Letters" is the name of the production and it is one of universal interest. A comedy which will appeal to the laughing instinct of every one who likes fun is "Shadows of Her Past" which is also on the program for today.

Monday, a film of special attraction is the one presenting Florence Reed in George Broadhurst's famous story, "Today." This is a wonderful and spectacular production that will catch and hold your interest to the end.

War Pictures at Gem

A film that will be of interest to every one is the one which is showing at the Gem theatre today entitled, "Training Our Khaki-Cloth Heroes." This picture shows the methods of training soldiers and gives a clear idea of their daily life and routine. "A Corner in Smiths," a two act comedy drama with Hazel Daly in the leading role will also be shown. An extra fast comedy, featuring John and Emma Ray, "Cheating His Wife" is an additional attraction on the program. Monday, the management presents William Russell in a drama of intense and gripping power entitled "The Midnight Trail."

"The Naughty Wife"

Selwyn & Company whose name in the theatrical world is synonymous with all that is best, will present their latest farce, "The Naughty Wife" at the Mural Theatre the entire week of May 6th, with the usual Wednesday and Saturday matinees. This farce is by Fred Jackson and comes here following its long and spectacular runs in New York, Chicago and Boston. The mere announcement is guarantee of one of the most enjoyable evenings theatre-goers have in store for themselves this entire season.

"The Naughty Wife" is pure farce. When first produced it was put on par with previous farce successes of Selwyn and Company such as "Fair and Warner" and "Twin Beds." As it continued to win the highest of praise in one city after another, there were not a few of the critics who placed it in the lead of

HELPED A WIDOW

Mrs. O. Waldman, 460 Glenn Ave., Fresno, Cal., writes: "When I was young I had a fever and it left me with a cough every minute. Thirty-two years ago I read about Foley's Honey and Tar and bought some and it helped me. I use it yet and it helps me every time. I am a widow 66 years old." There is nothing better for bronchial, grip and similar lingering coughs and colds that hang on. Just fine for children—for croup and whooping-cough. Contains no opiates. F. B. Johnson—Adv.

DRINK HOT WATER BEFORE BREAKFAST

Says you really feel clean, sweet and fresh inside, and are seldom ill.

If you are accustomed to wake up with a coated tongue, foul breath or a dull, dizzy headache; or, if your meals sour and turn into gas and acids, you have a real surprise awaiting you.

To-morrow morning, immediately upon arising, drink a glass of hot water with a teaspoonful of limestone phosphate in it. This is intended to first neutralize and then wash out of your stomach, liver, kidneys and thirty feet of intestines all the indigestible waste, poisons, sour bile and toxins, thus cleansing, sweetening and purifying the entire alimentary canal.

Those subject to sick headaches, backache, bilious attacks, constipation or any form of stomach trouble, are urged to get a quarter pound of limestone phosphate from the drug store and begin enjoying this morning inside-bath. It is said that man and woman who try this become enthusiastic and keep it up daily. It is a splendid health measure for it is more important to keep clean and pure on the inside than on the outside, because the skin pores do not absorb impurities into the blood, causing disease, while the bowel pores do.

The principle of bathing inside is not new, as millions of people practice it. Just as hot water and soap cleanse, purify and freshen the skin, so hot water and a teaspoonful of limestone phosphate act on the stomach, liver, kidneys and bowels. Limestone phosphate is an inexpensive white powder

The services for the United Presbyterian church at Glenwood will be Sunday school at 1:30 and preaching at 2:15.

any farce ever produced.

The great merit of "The Naughty Wife" is the fact that its humor is dependent quite as much on its imitable situations as on the dialogue which goes with a snap and a dash throughout the entire play. The complications and difficulties of the principal characters are such as to provoke one long continuous round of laughs.

It would hardly be fair to those who will see the play to tell too much of the story in advance. Suffice to say, it revolves about the most awful time in the world because hubby, who is so busy making money from the writing books, doesn't have time to notice her quite so much as she would have him. And then, of course the meddler who always seems to be in the offing when troubles come to perfectly nice folks, appears and but that is just where the fun comes in.

Mr. Husband forgets all about his books and everything else save the fact that he is in danger of losing his wife. How he goes about the saving her from the step she is threatening to take: what he does to utterly confound the interloper and how it all ends is—well if there has been a funnier play seen here in years, the memory of theatre goers fail to recall it.

SOCIETY

An attractive May wedding was solemnized this morning at eight o'clock in St. Mary's Catholic church when Miss Marie Kelly, daughter of Mr. and Mrs. Stephen Kelly, 410 North Harrison street, became the bride of C. E. Harkins of Chicago. The church was arranged for the occasion with flowers and greenery and about the altar, where the ceremony took place, there was a profusion of palms and ferns. The Rev. M. W. Lyons, pastor, officiated and while the guests were being seated, Miss Kathryn Cullivan, contralto of Indianapolis, sang a program of bridal airs and during the ceremony sang "For You Alone." The Lohengrin wedding March announced the entrance of the bridal party, which included Miss Josephine Kelly, bridesmaid, and Frank Kelly, best man, sister and brother of the bride. The bride was attired in a blue traveling suit; her flowers was a shower of Ophelia roses and lilies-of-the-valley. Her attendant was also attired in a blue suit and wore a corsage of American beauty roses.

Following the ceremony an informal wedding breakfast was served at the home of Mr. and Mrs. Stephen Kelly, for which large bouquets of apple blossoms made an attractive decoration through the rooms. In the dining room a bouquet of pink roses, arranged in plateau effect, decorated the center of the bride's table. Mr. and Mrs. Harkins left this afternoon on a wedding trip through the east and will be at home after June 1, in Emporium, Pa., where the bridegroom is engaged as head chemist in the large munition plant. The bride who is well known here, made her home in this city until about a year ago when she went to Chicago for residence.

Among the out-of-town guests at the wedding were Mr. and Mrs. T. J. Kelly, Frank Kelly of Louisville, Ky., James W. Murray of St. Louis, Mo., Miss Kathryn Cullivan and F. J. Kelly of Indianapolis.

Mrs. O. C. Brann was the hostess for a pleasant meeting of the Wednesday afternoon sewing club at her home in West Third street yesterday afternoon. The members of the club and two out of town guests were present and spent the afternoon sewing and knitting. The annual election of officers was held. The out of town guests were Mrs. Heringshaw of Chicago and Miss Alice Peck of California.

The eight members of the Pirate Bridge Club were entertained by Mrs. O. M. Dale yesterday afternoon at her home in North Main street. The guests spent a pleasant afternoon playing bridge.

Relief from Eczema

Don't worry about eczema or other skin troubles. You can have a clear, healthy skin by using a little Zemo, obtained at any drug store for 35c, or extra large bottle at \$1.00. Zemo generally removes pimples, blackheads, blotches, eczema, and ringworm and makes the skin clear and healthy. Zemo is a clean, penetrating, antiseptic liquid, neither sticky nor greasy and stains nothing. It is easily applied and costs a mere trifle for each application. It is always dependable.

The E. W. Ross Co., Cleveland, O.

An all day meeting of the Glenwood and Ben Davis Creek C. W. B. M. societies will be held next Tuesday at the home of Mrs. H. C. Haskett near Glenwood. The morning will be spent in sewing and a social time and a basket dinner will be served at noon. The afternoon will be devoted to the regular May meeting, the principal features of which will be the Bible study led by Mrs. Grindle and an address by Lydia B. Pearce of Indianapolis.

An interesting and profitable afternoon was spent by the War Mothers at their regular meeting which was held this afternoon at the home of Mrs. S. L. Newhouse at her home in East Second street. The members spent the afternoon sewing for the Red Cross and discussed buying a knitting machine in order that they might turn out knitted socks for the soldiers with more rapidity. The women's registration cards were filled out at this time.

The quilt which the members of the W. R. C. have been knitting for the Red Cross was completed at the meeting which was held at the home of Mrs. William Offutt on Wednesday afternoon. The blocks which were knitted by the different members, have been set together and the result is a quilt of unusual beauty. It is now on display in the window of the Geo. C. Wyatt and Co. Store.

Mrs. George Helm entertained the members of the S. E. T. embroidery club this afternoon at her home in West Third street. The guests included the fifteen members of the club and two out of town guests, Mrs. Heringshaw of Chicago and Miss Alice Peck of California. The afternoon was spent in sewing for the Red Cross.

Miss Mildred Roberta Hibbs, a nurse, and daughter of Kenneth Hibbs of Connersville, and Stanley Joseph Laszkowski of Cleveland, Ohio, now in training in North Carolina, were quietly married at the Methodist parsonage yesterday afternoon at five o'clock by the Rev. Clyde S. Black.

All of the active members of the Ladies Musicals are urged to be present at the meeting which will be held at the sheriff's office, at the court house Monday afternoon. An important business meeting will be held and there will be election of officers for the coming year.

The Ladies Aid Society of St. Paul's M. E. church will meet Tuesday afternoon at 2:30 at the home of Mrs. D. D. VanOsdol. Mrs. Robert Byer and Mrs. Frank Smith will be the assisting hostesses.

The Coterie club will meet Monday afternoon with Mrs. Rhoda Offutt at the home of Mrs. D. D. VanOsdol.

The women of St. Paul's M. E. church will say at the Red Cross on Monday afternoon.

Brown Brothers, grocers, have filed suit in the circuit court against William H. Shepler on an account for \$65.

Notes On Activities Of Federated Clubs

The Art department of the Indiana Federation of Clubs has offered two prizes in a competitive art contest for high school pupils. The posters should portray one of the following: Food Conservation, Liberty Loan or Thrift and Savings Stamps. The applied designs are to be such as can be used in the production of useful articles in the industries. The work is to be completed and in the hands of the chairman of the Art committee, Mrs. J. W. Riddle of Lawrenceburg, by July 1, 1918. The posters and designs submitted are to be used in an educational exhibit at the annual meeting of the federation in Indianapolis in October.

In a communication concerning the work of the Woman's Land Army of America, Mrs. Hortense Tapp Moore of Rockville, emphasizes the courses Purdue has to offer in training women along special lines of war service. She says it is not necessary for our Indiana girls to leave their own state in order to receive work that is being given in the National Service Schools in Washington. Congress appropriated money enough to allow Indiana twenty Home Demonstrators but we had to go out the state to get some of those demonstrators. The Smith-Lever fund is used to extend Home Economics. Mrs. Moore says, "There is no organization in Indiana that could do as much to help Indiana women get full benefit of this appropriation as the great Indiana Federation of Clubs."

The Woman's Study Club of Crown Point at the meeting Friday had two papers, one a review of Dr. Anna Howard Shaw's book, "The Story of the Pioneer" and the other a paper on Transmissible Diseases. The Department of Literature of the East Chicago Woman's club for the last meeting of the year had for the subjects, Dante, Raphael and Browning.

The Community Club of Inwood held an all-day Bird and Arbor day program for the last meeting of the year. The men and boys worked with teams leveling the school grounds and planting trees and shrubs the children had brought. Money was contributed to buy two hundred feet of hedge.

The Study club of Franklin decided to adopt a French orphan at the last meeting.

The Ladies' Literary club of Rensselaer, Indiana, has purchased a \$100 Liberty bond, given \$25 to the E. W. C. A., \$5 to the Poet's Ambulance fund and several of the members have adopted French orphans. Their program for next year is on the outline of the General Federation for Patriotic Work. They have raised the money for their work by pastry sales, home benefits and contributions. They give \$4 each year to the Endowment fund.

CANADIAN SOLDIER WILL SPEAK HERE

Sergeant J. H. Burnies Will Address
Audience Under Supervision of
Salvation Army

FIRST HAND STORY OF WAR

Sergeant J. H. Burnies, a Canadian soldier, who has recently returned from the European battle field where he was in the thick of the fight in the Flanders region, will address a Rushville audience some time this month.

Sergt. Burnies comes to this city, under the auspices of the Salvation Army in behalf of the Million Dollar Drive which is being conducted by that order. Rush county's allotment has been placed at \$500 and the proceeds from the lecture will go to swell this fund.

The meeting will be held in the St. Paul's M. E. church, which was turned over to the Salvation army for this purpose. For the first time since the beginning of the big western front drive, a Rushville audience will be able to get, first hand, a story of the happenings of the most monster battle of the war. Sergt. Burnies has been returned to this country on furlough and is recovering from serious injuries.

CO-OPERATION IS WATCHWORD OF DRIVE

From whatever source, I hear of the work of the Knights of Columbus as being fine, patriotic, self-sacrificing and liberal. The work ought to be amply supported and upheld by the people of Indiana."

In his letter Senator New said: "I am informed that the Indiana section of the Knights of Columbus is to launch a state-wide drive for funds with which to continue the war work of this organization in the camps and cantonments both in this country and abroad. May I give my hearty endorsement to this most worthy undertaking and express the hope that this campaign will be overwhelmingly successful? I know that the Knights of Columbus are doing a most worthy work of importance which cannot be overestimated. Persons contributing to this project may do so with the full assurance that they are assisting in a vital way in the prosecution of the war."

She sold her soul for a
Jeweled Dress

Down thru the ages, Woman's Soul has been carried to market on a Golden Platter.
Before the Peacock throne of Vanity she has knelt in worship of the False Gods of Jeweled Raiment.
Down the broad trail of the Easiest Way she has wandered, plucking the Primroses of the hedge that hid the deep morass of Folly.
Thus, this Woman of Today, pampered and selfish, first carried her beauty to the Marriage Market in exchange for wealth—and when that failed, she found the other Auction Block.

FLORENCE REED
"TODAY"

On the stage, George Broadhurst's famous play awakes a nation to its modern Slave Mart, a market place where Satan blinked from behind myriad lights and lurked within the shimmering folds of jeweled raiment—a block as cold and cruel as the place where virgins of old were auctioned by their captors. On the Screen "Today" pounds on the raw nerves of your emotions and cascades your heart with its mad torrent of truth.
